EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In claim 1, line 11 prior to "push" insert --the first and second--.

In claim 1, line 18 replace "another" with --the other--.

In claim 1, line 22 replace "another" with --the other--.

2. The following is an examiner's statement of reasons for allowance: The prior art does not teach or suggest a two-stage movement seesaw switch apparatus including a manipulation knob for operating a pair of elevatable drivers, which in turn drive an operation plate for operating first and second push switch positioned to support the ends of the operation plate with a third push switch positioned displaced from a straight line connecting the first and second push switches and supports an intermediate portion of the operation plate.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
